

Dear Artist,

For 2016, the Cultural Association Arte&Arte is programming the **26<sup>th</sup> edition** of the exhibition Miniartextil: a contemporary textile art exhibition. The theme we chose is **"TO WEAVE DREAMS"**, and will be held in Como from **October 1 to November 20 2016** in the ex church of San Francesco. The association Arte&Arte after 25 years, recently moved to a new seat in Como in Via Piaceni, 5, where we aim to welcome new cooperations, with other cultural entities following our dreams.

### **CONDITIONS OF PARTICIPATION**

- 1) The aim of the exhibition is to highlight and divulge fiber art as a means of artistic expression.
- 2) The theme of the exhibition is: "TO WEAVE DREAMS" . We would like to drive artists' attention to the manual skills of creating fiber artworks. Everybody is invited to realise a dream, to make a wish, to weave hopes.  
A way to look backward, beyond the looms in order to get fascinated by the contemporary.
- 3) The work must correspond to the following definition: "An original work, hand-made or whereby the technique is controlled by the artist, using textile materials or similar methods", and must draw its inspiration from the theme.  
Only one piece of artwork, two- or three-dimensional, may be submitted. The maximum dimensions of the work must be **strictly** 20x20x20 cm **and frames are not allowed. The work must be conceived self standing with NO needs of being hung or sling to a support, and must NOT require electrical connection**
- 4) Participation in the exhibition will be subject to the selection of the work by a specially formed jury. The jury will start and end work within **May 23 2016**.

We ask to all the artists a fee of **30 € (thirty euro)**, to cover administrative office and archive costs.
